Sherry

Sherry,

You're one hell of a friend,
don't change because I love
you just the way you are.

Thanks for being the friend
that every person should
have. You're the best.

Just because the year has
ended that doesn't mean our
friendship has to. Hold on to
our memories, Remember the
flowers we gave you at your
senior dinner 84', love Jimmy,
Stay cool, Keep in touch!!!

Love & friendship
forever always

Pat.

Dear Sherry,

I'm glad that we got to be good
friends this year, but I'm sorry it didn't
happen sooner. You're a sweet person and fun
to be with. We've had some really good
times in and out of school. You and Jimmy
will have to get together with Leigh Ann &
I over the summer before I go away. Take
care & good luck. Love always,

Sherry

Sherry,
It's been fun
having you in
Home Ed. We had
a few laughs during
the year. I wish
you all the luck
in the world.
I'll miss
seeing you next
year.
Love,
Martha

Sherry,

It's been
so fun having
you as a friend.
Good luck and
congratulation on
your graduation.
Stay sweet

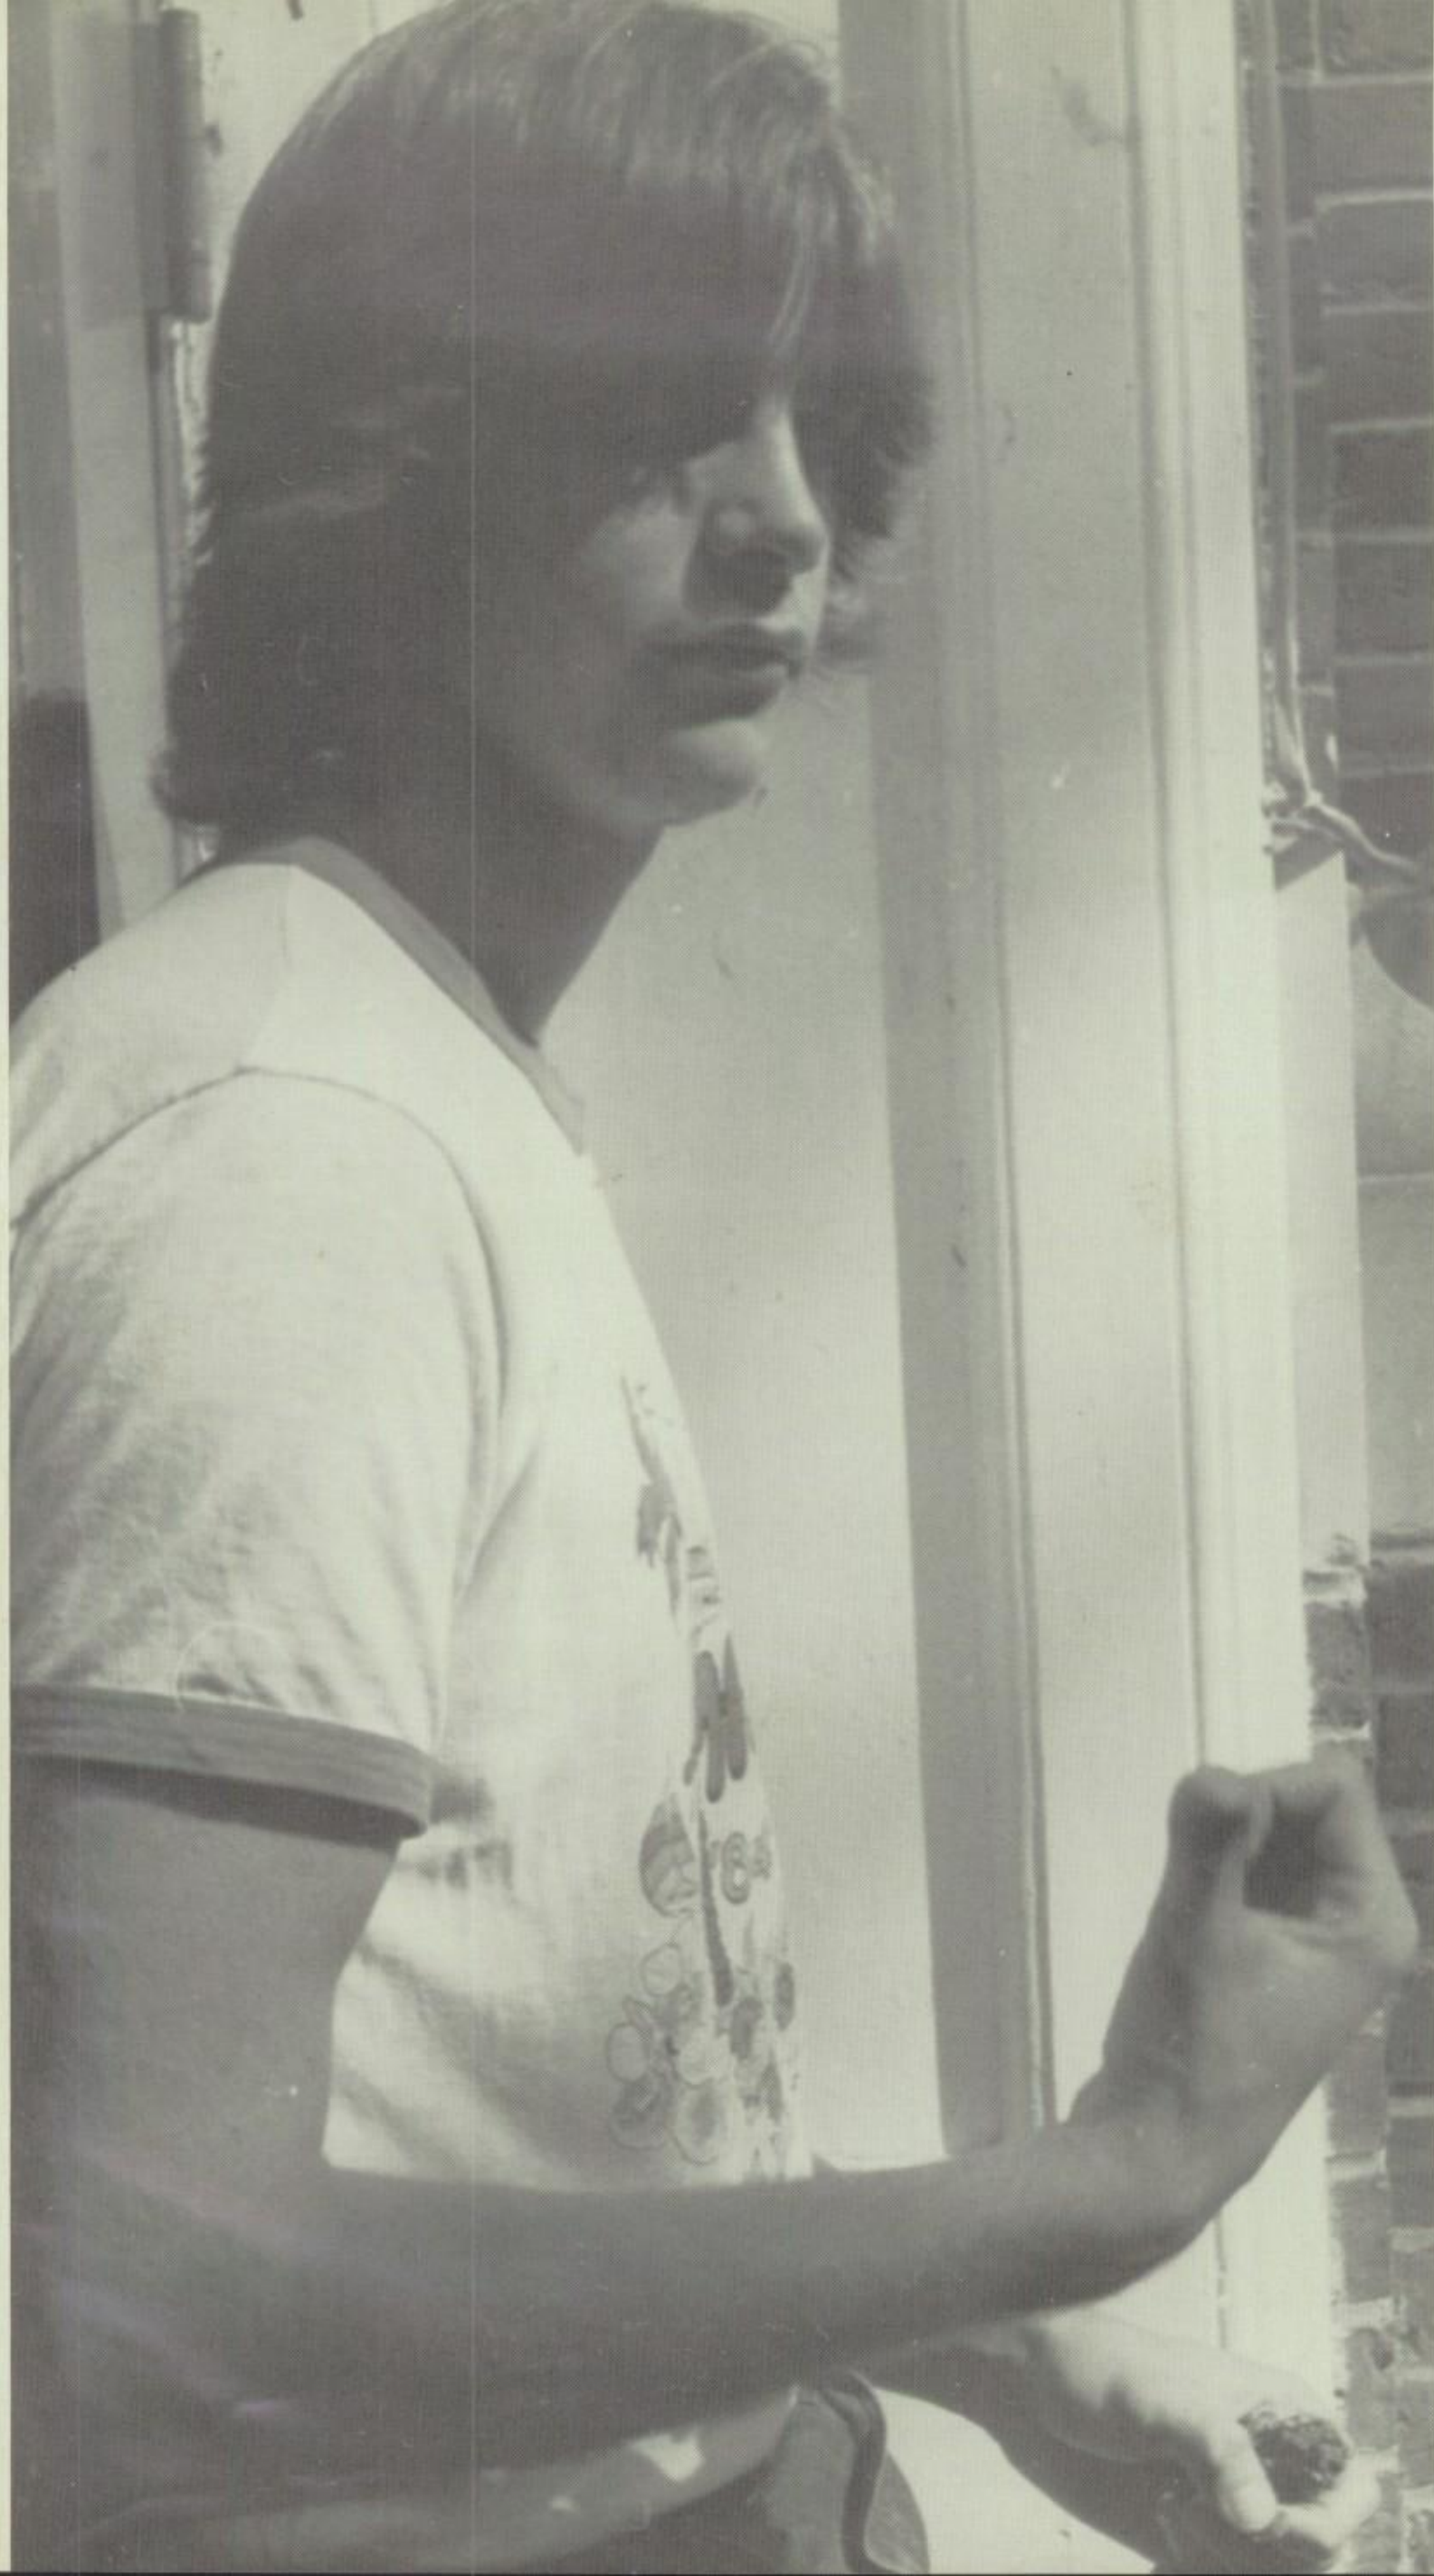

Love

Gwen Curry

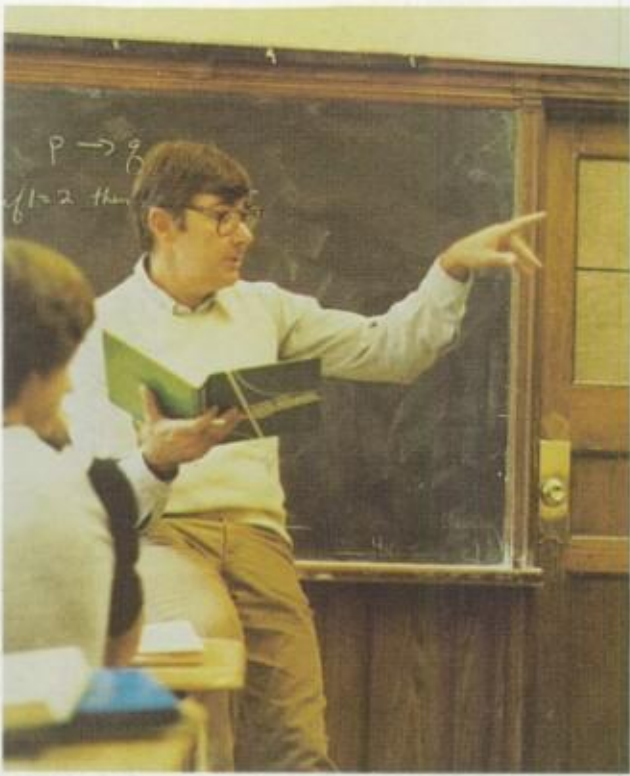

Shermy,

I always know you as a friend but never
as well as this year. You're super sweet and have
an all around great personality. Don't change.
Even if we don't keep in touch I'll never forget
you. Hope I see you around this summer. Good luck
in everything - love though you don't need the
luck. Stay happy. Love Della

Sherry -
 It's been a long 13 years - It's amazing to watch children grow up
 and go through all the changes it takes to make them young adults.
 I think this is one of the benefits of working in a place like Trips - you
 feel like you're one of the family - It's been a real pleasure having
 you as a student and **FACULTY** a friend -
 I'm sure we'll be seeing each other in the
 coming years. Have a great time in whatever you choose to do from now
 on. You're on your own -
 Best wishes -
 Love,
 Mike

Foreign Students At Tuxedo

Neil Hilton: I Lived in England until I came here three years ago. Tuxedo isn't very exciting compared to Trubridge, my home in England. I like American schools better because there is less pressure.

Arkady Aptekarev: The school I went to in Moscow was very strict. You had to stand up when the teacher came into the room. I like the U.S. better because there is more to do.

Peter Donnelly: The troubles in Belfast made it exciting. Although you get tired of losing Protestant friends to sectarianism. School in Belfast was much more disciplined than the U.S.

Kevin Brady: Although Belfast is not much of a town, I miss it. Being educated in the U.S. is an experience which I won't forget. I got to make some great friends here.

Branimir Petrak: I lived in Yugoslavia. I am currently staying with my aunt and uncle in the U.S. My parents still live in Yugoslavia. I plan to either stay in the U.S. to continue my education or go home.

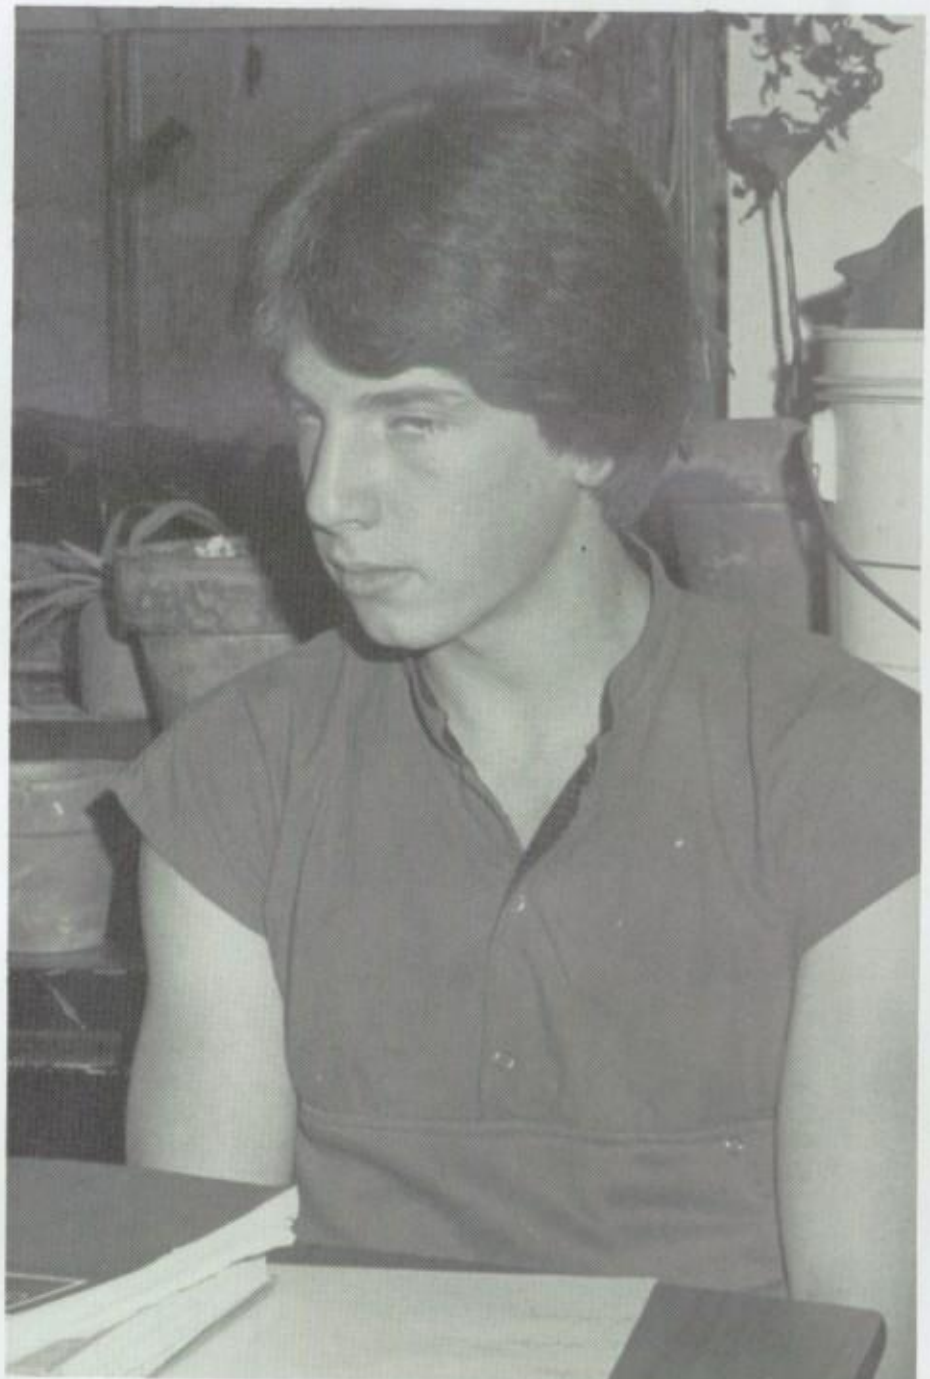

Michael Popp: I came to the U.S. about a year ago from Germany. The German and American people don't seem any different to me but I like the U.S. better.
